

Bombolo

We would love to host your rehearsal dinner or party of any kind.

Bombolo's dining room can seat 34 people at tables.

The patio could also be reserved for a party of up to 18, though the patio is not covered against rain nor is it heated.

Bombolo's chef has put together menus of varying price points for such events and will be glad to tailor these menus to suit your guests' tastes, allergies, as well as the season.

Bombolo's wines buyer has designed drinks menus also at varying price points and will also be glad to adjust them to suit.

Below are the minimum spend requirements for each day of the week: you are always welcome to spend more, any day.
